

LSC 2003 Grants Competition

Service Areas Subject to Competition

The estimated grant amounts listed below are based on the FY 2002 LSC Appropriation and grant award distributions. These amounts are likely to be substantially affected by the 2000 census data that will be released later this year. The census data on poverty population that are used to calculate estimated grant amounts were not available at the time the LSC 2003 RFP was published. LSC will make every effort to timely inform applicants of changes to grant amounts based on the 2000 census. LSC anticipates that census data may be available as early as June 2002. Applicants are encouraged to visit the LSC competition web page at www.ain.lsc.gov to remain current on all LSC competitive grants information including the effects of the 2000 census. Please contact the LSC competition service desk at competition@lsc.gov, if you have any questions regarding this matter.
